20 Years Of Achievement

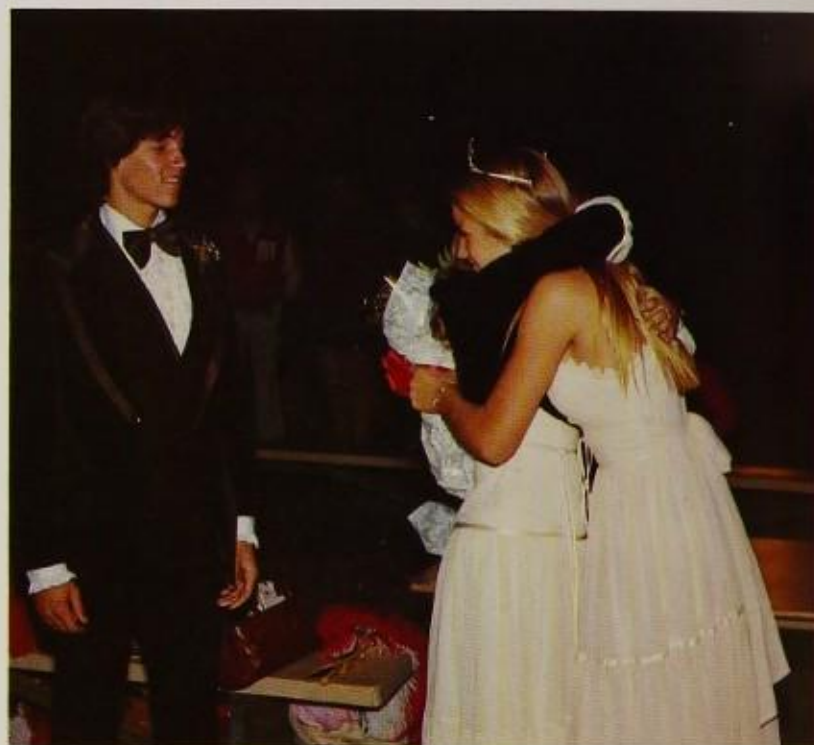

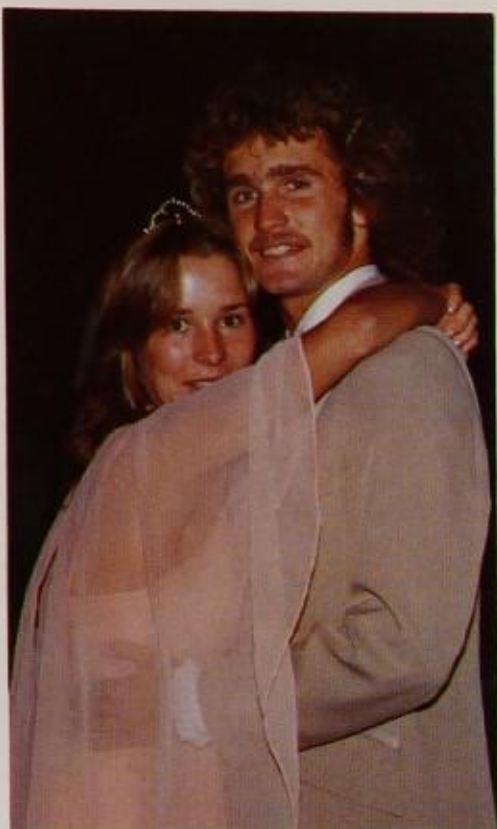

A ROYAL EVENING

Who would be crowned as King and Queen was the question on everyone's mind who came to watch the annual Homecoming ceremony on November 9th. Circling the field in their brilliant black cars, the tension began to mount.

When the air settled, the winners were announced - Rick Sletten and Karen Webb, King and Queen.

SENIORS ON

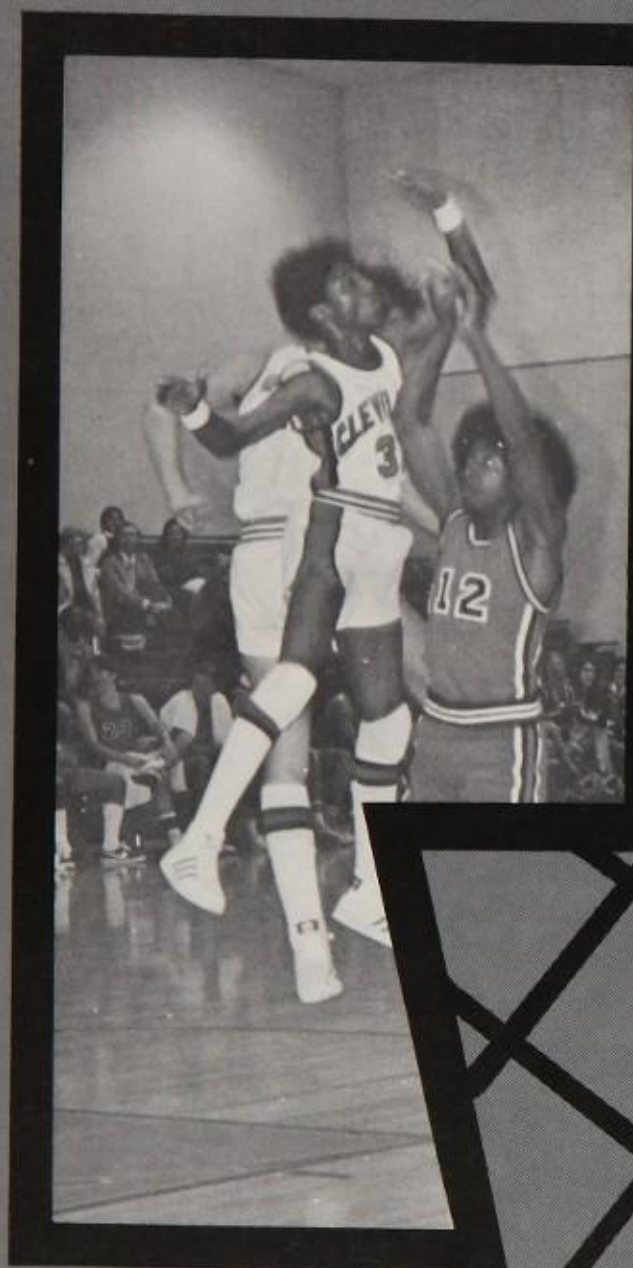

Senior Spirit Week began on October 30th and continued through November 3rd. Although it rained on Monday, the rest of the week proved to be full of sunshine and spirit. Dressed in Halloween costumes, the events began with a pie eating contest won by ever-hungry Rick Sletten. Some complained that the pie was frozen but it did not seem to affect Rick's unbelievable speed. The water balloon toss was won by Greg Chase and Doug Chadwick. Other events included a three-legged race, sack race, chicken fights, pyramid building and an obstacle course. Spirit week gave the seniors a chance to express their spirit and act crazy.

VARSITY DEFEATS ALUMNI

The Annual Alumni Basketball Game held on Wednesday, November 15th, handed the Alumni the first defeat in the five year history of the game. Led by enthusiastic Rick Bueno and Al Kinchen the Cavaliers surprised the very talented Alumni by taking an early lead and holding on to it throughout most of the game with a clutch basket by Al Kinchen and two key free throws

by Chris Czuzak, the Cavaliers walked away with an 86-82 victory. The super-charged Alumni consisted of Dennis Clay, Donn Disney, John Durso, Eric Maiden, Dave Martin, Jack Olsen, Dave Perce, Darryl Tong and Dave Wogahn, while the balance attack of the Cavaliers was made up of Mike Almeida, Rick Bueno, Mike Caldwell, Chris Czuzak, Don Epps, Alfonso Kinchen, Dave Reed, Rick Sletten and Jeff Swann.

BAND AND DRILL TEAM

Screening for the fifth annual Band and Drill Team Championships were held at Birmingham High School on December 9, 1978.

Although Cleveland gave an excellent performance, they could not score enough points to qualify for final competition. But competition was not everything. After all, performing during half time and supporting the team were three-quarters of the fun.

Many thanks to Mr. and Mrs. Fisher for all of the help and guidance they contributed towards making Cleveland number one.

Dorte Pedersen, a native of Denmark, was her country's emissary in the Youth For Understanding Program.

Dorte entered the United States on "August 11, 1978 at 10:23 p.m." She was a member of Cleveland's 1979 Senior Class. However, Dorte had already graduated from high school in Denmark. While attending Cleveland, Dorte lived with her host family, the McCanns. During her stay in California, Dorte visited several famous tourist attractions. Her tour included two visits to both Disneyland and Magic Mountain. Dorte comes from the village Kvaerkeby, Denmark. Denmark is a socialist country in northern Europe. Dorte, an only daughter, has three brothers.

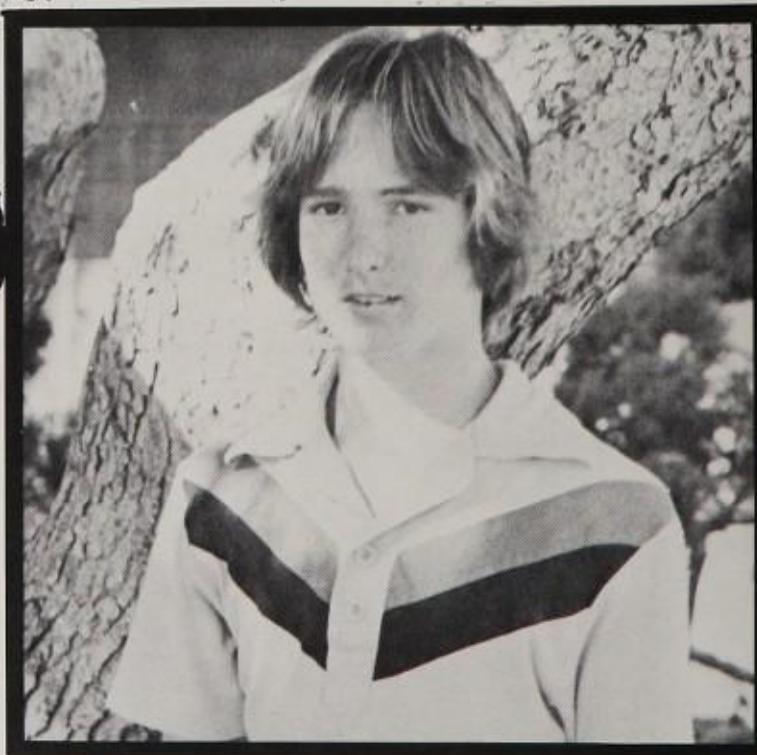

While here, Dorte revealed that she enjoyed California's weather, but she admitted, "I hate the smog."

Foreign Exchange

Kevin Stone, a former sophomore at Cleveland, was inducted into the Youth For Understanding Program this year. Youth For Understanding is a program that allows students to study in foreign countries. The students reside with a host family while they study at a local school.

Kevin was assigned to Australia, where he will attend school. The school, which is located 150 miles from Melbourne, is a trade-technical institution for boys.

While he is in Australia Kevin will live in Warranbool, Victoria with his host family. Kevin will remain in Australia for one 10 ½ week semester before returning state-side.

Band Awards Concert

The annual Winter Awards Concert was held in the multi-purpose room from seven to nine p.m. on the evening of January 18th.

The entertainment for the evening was provided by the Cavalier Band and choir. Their well stocked repertoire and musical abilities were evident throughout the entire performance. The concert also supplied an added attraction, a Jazz Quintet.

The program reached a climax with the presentation of the various awards. The David Vann "Most Typical" musician award went to Brad Carow. Rick Kinkel was chosen as the Most Valuable and Most Improved musician.

Andrea Baer and Rick Kinkel were named the Drill Down Champions.

AIR OR FAN

This year's Vice-Versa was one of the most original and unique dances in Cavalier history.

The Vice was held in D'Artagnon Hall on January 27th from 8 to 11 p.m. Dubbed an "Oriental Fantasy," the decor aptly reflected Asian culture.

The Vice, which closely resembles Sadie Hawkins Day, gave the female Cavaliers the opportunity to snare their dream males for an evening.

ENTAIL TASTY

An estimated 300 couples attended the "Oriental Fantasy". For three hours hundreds of Cavaliers danced to the music of the "Shades of Brass" band. The dance was a resounding success. The Vice-Versa Dance was a happy occasion for all. It will no doubt be remembered long after the decorations have come down.

THE CRUCIBLE

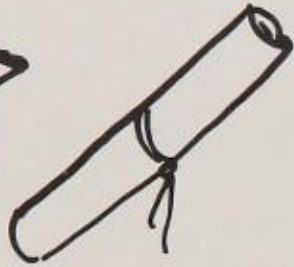

This exciting drama about the Puritan purge of witch craft in old Salem is both a gripping historical play and a timely parable of our contemporary society.

This performance is the result of the dramatic and technical work of every member of the production class.

BLACK HISTORY WEEK

Cleveland High School's annual Black History presentation, performed on March 1st, emerged as a tribute to both Afro-American culture and the Cavalier spirit.

The production was the result of the collaborative efforts of the Drama Dept., the Ashanti Club, Mr. Lee and Mr. Adeeb.

The excellent acting and singing ensemble provided Cleveland with an entertaining depiction of the Afro-American culture.

Ephibians

The Ephebian Society is a civic betterment and service organization. Ephebians are selected on the basis of outstanding character, leadership, ability, high scholastic achievement and demonstrated service. The Society's major purpose is to focus the attention of its members upon matters of civic and community leadership, improvement and services, and to inform and encourage the membership to actively participate along these lines.

One student from each forty, or approximately 2½% from each graduating class, may be chosen as an Ephebian. To qualify scholastically, the candidate must have maintained a "B" average throughout his or her senior high school years.

The Les Memoires Staff is proud to present Cleveland High School's four Bank of America Achievement Award Candidates. The purpose of this award is to recognize and to honor the outstanding seniors whose scholastic attainment, sense of civic responsibility, and evidence of leadership give most promise of future success and service to society.

The Achievement Award Program was first introduced to the schools of the Los Angeles School District in 1948. Cash awards, trophies, and certificates have served to emphasize the value of self-improvement, service to others, and individual achievement.

The awards program has been expanded to include all high schools throughout the state. The state is divided into nine geographical divisions, each with approximately equal number of students. The schools within each division form an independent program and winners do not compete against winners from other programs. The nine divisions are divided into zone areas. Cleveland is a member of the West Valley Zone.

The selection of certificate and plaque winners is made by the faculty of the school with the guidance and approval of the principal. Pictured are the four plaque winners, and the twelve certificate winners, excluding Cathy Leonard, the division winner in Home Economics.

The Season

The Cleveland High School Varsity team advanced into the play-offs once again in the 1978 season with a 4-1 record.

Their season began on a good note as they overpowered Reseda by a score of 31-19. Cleveland scored four touchdowns plus a Ray Morquecho field goal.

Although Cleveland did beat Chatsworth for their second straight victory, their performance was not very impressive.

The final score was 14-6 despite 14 penalties by the Cavaliers. The first score came from a one yard drive over the middle by Doug Chadwick. The other Cleveland score came on a three yard plunge over right tackle by Dan Nielson.

The victory over Taft 15-13 stretched the Cavaliers record to 3-0. The game was very close because of many lucky breaks which had been going in the Toreadors favor all night. For instance, one of the Taft scores resulted from a recovered fumble which was run in for a touchdown. The defensive aspect of Cleveland that night was flawless. Gerry Robinson intercepted three Toreador passes while Dan Nielson was the offensive star with 138 yards and two touchdowns.

Cleveland's undefeated record was unfortunately snapped by a stubborn El Camino Real team. The Conquistador's 6-0 victory came from the first play from scrimmage on a 98 yard pass play. The rest of the game was merely a defensive exhibition. Neither team was able to mount an effective drive because of the other team's denying defense. The Conquistadors ended their league season with a perfect 5-0 record.

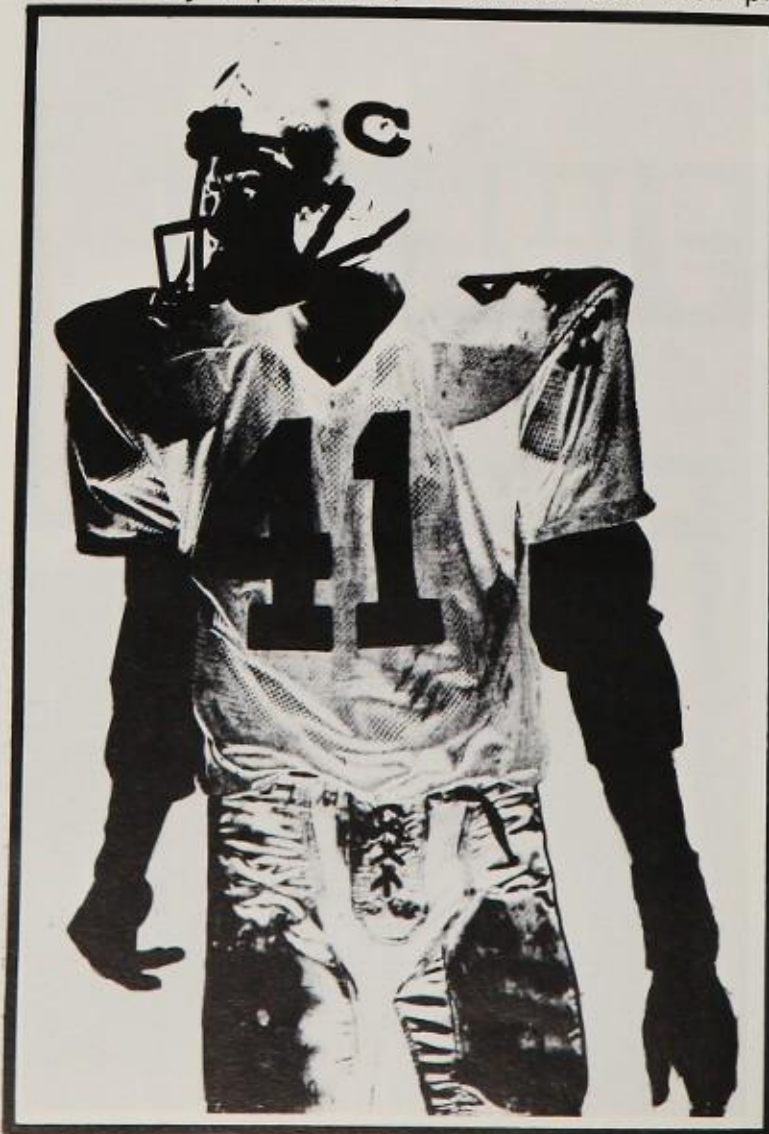

The final game of the season placed Cleveland against Canoga Park. There was really no contest as the Cavaliers ran all over the Hunters 24-8. Cleveland controlled the

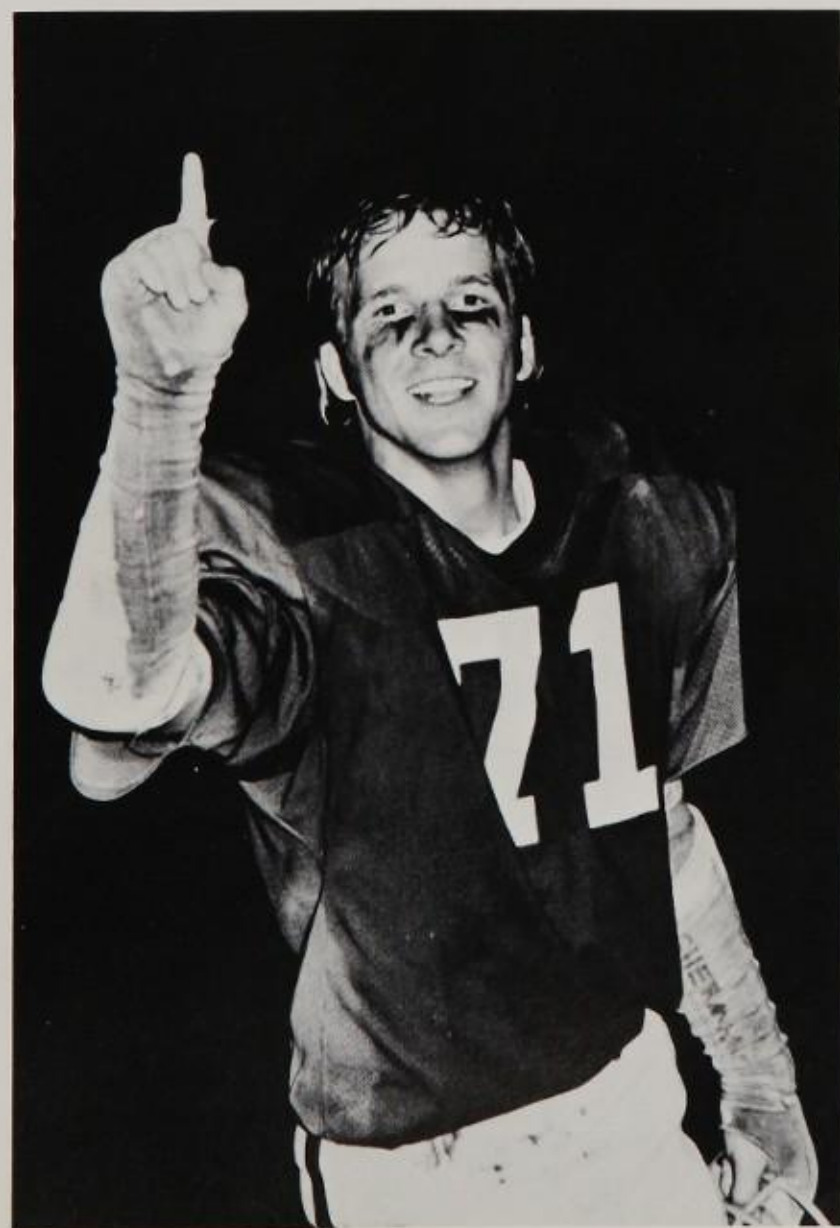

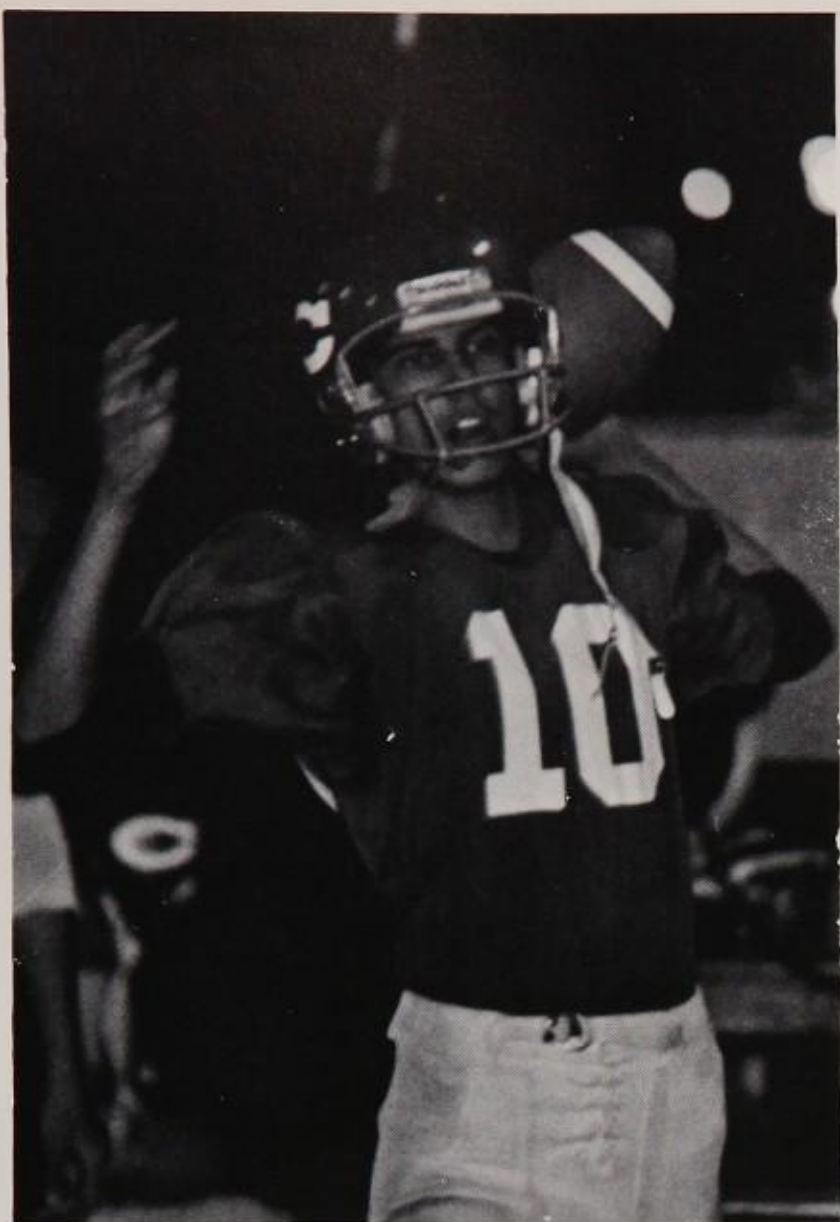

whole game defensively as well as offensively. This win gave the team a 4-1 league record and advanced them to the first round of the play-offs against Carson.

The Cavalier's 34-9 loss to Carson certainly didn't come as a surprise. Carson was simply more talented and stronger than Cleveland. Although the team may have lost the game, they did not lose their pride nor their desire to play. A pass play

from Chris Brown to Ron Mayle in the first quarter gave the Cavaliers six points, however, they failed to pick up a two point conversion attempt. Later in the third quarter, the Cavaliers moved within the kicking range of Ray Morquecho who put one between the up rights and added three points. Cleveland played very well in the first half, but they were unable to contain the brute force of Carson in the second half.

Cleveland certainly had many fine senior players. Just a few of them are; tight end Matt Smith, offensive tackles Tony Melaragno and Brian Burns, defensive end Manuel Zuniga, defensive tackles John Dugan, Marc Keil, and Steve Svastits, and line backers Ceaser Leal and Paul Spear. We also express a special thanks to Coach Carido and Coach Hansen who put it all together.

The Bee Football Team finished its season with an incredible 7-1-1 record. Coach Silverman and Coach Todd lead the team to the West Valley League Championship. The team's only loss was to Banning. Although Cleveland was in control most of the game, Banning exploded with a drive in the last seconds to win. Excellent defense prevailed in the Dorsey game and the resulting score was 0-0. Going into the season the Bee team regained its momentum by destroying Reseda. Fine defensive players such as Ken Jackson, Tom Spear, Bill Zatorski, and Bill Parshall held Reseda scoreless. Some excellent offensive players were Tony Guerrero, Rick Glover, and John Sherman. Congratulations Bees!

The soccer team of 1978-79 kicked off its third season on October 30th by defeating Reseda 3-0. The Cavaliers completed what Coach Nayfack considered a "mediocre" season with a record of 6 wins, 4 losses, and 3 ties.

Nevertheless, this year's team was composed of several talented players. However, these talented individuals could not come together as a whole. Many returning players, such as, John Guerrero, Karl Mullenfield, Brian Ross, Eugene Jacobowitz, and John Perkins, contributed to the team's success. Eric Rippon, Roland Vanderhayden, Dion Bross, and Artie Morquecho will be graduating this year and their talents will most definitely be missed.

The season ended on a sad note - a 1-3 loss to Chatsworth ended all play-off hopes.

The Cleveland Varsity Basketball team finished its regular season with a record of 6-4 and tied Chatsworth for second place. Their over-all record was 9-6. In pre-season play the Cavaliers handled Belmont and Monroe quite easily, but were stunned by Kennedy 52-75. Going into the season, Cleveland needed a win to regain its confidence. The vital win came in a 58-54 thriller with Reseda. The Cavaliers improved with each game as they beat Chatsworth in the next contest by a score of 79-68. The Taft game proved to be the most exciting for the Cavaliers. Although the team played badly in the first half, they mounted an incredible come-back in the second half culminated by a 35-foot shot by Rick Sletten with two seconds left to send the game into overtime. Cleveland outplayed Taft in the overtime period and won the game 61-60. Mike Almeida lead the team with 16 points and Rick Sletten followed with 15. Cleveland's inability to handle El Camino's full-court press caused them to lose 59-71 despite Jeff Swann's 15 point performance. The Cavaliers handled Canoga Park very easily in both of their league meetings, but, unfortunately, the team went on a three-game losing streak following the mid-season break. The stalling tactics used by Coach Malousis in the second quarter of the Reseda game proved fatal as the team lost 37-44. Rick Sletten's 21 points didn't help against Chatsworth as foul-plagued Cleveland lost 68-71. The Cavaliers were simply blown away by the revengeful Taft team 48-80. Cleveland popped back with an impressive win over El Camino. Sletten had 26, with Almeida and Rick Bueno chipping in with 16 each. The Cavaliers beat Marshall 73-72 in the first round of the play-offs with clutch free throws by Mel Fleeman. The Cavaliers' season ended as they were completely overpowered by the city champs, Fairfax. Chris Czuzak lead the team with a fine display of determination and hustle. Cleveland's strongest points this season were their balanced scoring attack and team unity.

This year's Varsity Baseball Team has a very talented player to fill each position. The Cavaliers have three very fine Senior pitchers in Tim Arnold, Jon Belasco, and Dave Reed. Other Seniors who supply the team with hitting and fielding power are Jerry Youmans, Larry Harlin, Calvin Liggera, Doug Chadwick and Tom Lenahan. Cleveland can also look forward to a great future because there are many excellent junior and sophomore players on the Varsity and J.V. teams. Some of the Varsity Juniors are Eddie Dapello, Tony Guerrero, Paul Kaplan and James Moran. The Varsity is certainly heading toward a great year.

TRACK '79

The Varsity Track Team of 1979 began the season slowly losing to Granada Hills and Monroe, two of the Valley's most powerful squads. However, by utilizing the many talented individuals on the team, Cleveland will be able to look forward to a successful season. Jeff Jones, Elviano Willars, and Phil Brotherton turned in great seasons in events ranging from the Mile Relay to the Two Mile. Steve Svatits, Tony Meleragna, and Mike Schied put their muscles to work in the shot put area and Ed Gavarati returned to be Cleveland's lone Varsity pole vaulter. In the Sprints, Brian Riggs and Shawn McKissick burned up the track, along with Kevin Fazio, Tom Podkowitz, and Don Jackson in Hurdles. The Jumpers this year included Chris Brown in the High Jump and Al Kinchen in the long and triple jump.

Row I - P. Brotherton, S. McKissick, B. Riggs, A. Kinchen, D. Schied, D. Anderson, E. Finke. Row II - K. Fazio, J. Jones, R. Mate, D. Jackson, R. Temple, D. VanAucker, E. Willars, A. Smith. Row III - T. Melaragno, M. Schied, P. Forman, S. Clark, E. Gavarati, D. Anderson, B. Castrini, T. Podkowitz.

Bee Track

Row I- S. Papagay, R. Lans, J. Sherman, J. Murray, A. Charton, P. Hellson, D. Blalock. Row II- R. Smith, R. Glover, V. Wroght, H. Lee, C. Escalona, K. Stratton, J. Lopez. Row III- A. Kinchen, S. McKissick, W. Hall, K. Jackson, B. Lauber, T. Lett, J. McIntyre.

This year's Bee Team was fortunate to have many talented members, both returning and first year. However, with competitors such as Al Kinchen and Shawn McKissick competing on the Varsity level, the team was hampered by a lack of members. Returning members John Murray-high jump, Kevin Stratton-distance, and Bennett Lauber-pole vault, turned in a good season, along with new competitors Robert Lans and John McIntyre-distance, and Steve Papagay-sprints.

Cees

Row I - R. Coaua, Chan So, J. Kelly, B. Richer, R. Keith. Row II - S. Wade, T. Mitchell, B. Wright, J. Faulkner, J. Esqueda.

Though small in size, as in previous years, the Cee team acquired many points throughout the year. Todd Mitchell, Jeff Faulkner, Joe Kelly, Barney Richer, and Joel Esqueda pulled in points in long distance. Robert Coaua, Chan So, Bernard Wright, and Stanley Wade excelled in the sprints and Rex Keith came through alone in the shot put.

Under the coaching of Mr. Lou Silverman, the girls' track team of 1979 began a good season by defeating both Monroe and Reseda.

Returning competitors from last year were Candy Garcia, Anita Calleja, Sue Convirs, Stacey Lauber, and Lori Cuchetto-all in distance, Sally Convirs-sprints, and Debbie Marshall-shot put.

As in past years, many new girls came out to add their talents to girls' Track. Outstanding new members were Maggie Blazer-sprints, Treacy McIntyre-sprints, Alice Campbell and Christy Lynch-distance and Paulette Stevenson-sprints.

FACULTY

CLEVELAND HIGH - TWENTY YEARS!

Twenty years gives rise to a period of evaluation and an expression of thanks to all who have made Cleveland High School a great place.

We at Cleveland are very fortunate to have a school that has been the recipient of dedicated community, students, and staff for twenty years. Let's pause to express thanks. Having experienced the past, what can we do to insure a beneficial future? How can you and I find something to leave to those who follow us?

Communication will help. Together we can continue to make this a place where others will feel good as they participate in our activities.

Honest effort, directed toward the good of mankind will help

Good luck and God speed!

Now that you've finally reached the end of the brand new '78-'79 Les Memoires it is time to reveal the secret of our success. You may ask that we not reveal this secret as a service to humankind but in the interest of all concerned we feel that credit should be given where credit is due. So without further ado we present to you the completely exhausted and totally unorganized Yearbook Staff of '78-'79. Leading the pack was Chris Escamilla, our Editor-in-Chief. Chris was constantly harping on the fact that there were pages due, in between offering us helpful hints on how to improve our not always creative pages. As Assistant Editor Claudia Conroy tried to keep the morale up. When her rather dull ideas for Candid captions failed to amuse anyone she brought in cakes as peace offerings which often aggravated the situation. Next in line was Chris Czuzak, the Seniors Editor. Throughout the year Chris could be found alphabetizing pictures to his rendition of such memorable tunes as "Fish Heads". Karen Behringer, the Underclassmen Editor also spent many hours alphabetizing and re-alphabetizing pictures. During these periods of hard labor the only words she would mutter were, "i before e except after c." Sitting next to each other were Alicia Mitter, the Activities Editor, and Kerry McLaughlin, the Clubs and Organizations Editor. The two rubbed elbows the entire first semester until they realized one of them was right-handed and the other left-handed. Not that they minded this alternate life-style, but this find enabled them to keep their borders in line. Then came the Sports Editors, Sue Convors and Rick Sletten. Sue and Rick did a great job of scheduling last minute pictures, forgetting to meet photographers, and wondering why a certain coach forgot to show up with his team for a picture. Laura Syvertsen, the Art Editor, was one of the more "talented" people on the staff. She had a talent for sudden illness on due dates, creative ideas, and quick finishes. The "other Laura", Laura Winteregg, was our faithful typist who begged for work to do one minute then ended up swamped under a list of names the next. Lauren (the Copy Editor) Bush painfully trudged through the Faculty Section procrastinating at every turn. After her ordeal she had a speedy recovery and was soon back flexing her jaw muscles on the latest flick out of Hollywood. Completing this motley crew we called a Yearbook Staff were the three photographers, Bill Greenzweight, John Lauffer, and Troy Tanner. Throughout the year those three photographers would only be seen if they were together. We began to wonder if the attraction was purely physical. The three were deluged by endless requests for pictures, pictures which would miraculously appear just in time to complete a page the day after it was due.

However, through frequent trips to Winchell's and our good friends at Northridge Studios, advice from the irreplaceable Mr. Davis and Mr. Sorenson, our Josten's American Yearbook representative, we somehow managed to get this yearbook out to you. This book represents endless hours in room A-8 over the holidays, during lunch and nutrition, and after school. But it also represents the year of '78-'79 and will keep alive the memories we have from this year and for many years to come.

Throughout the twenty years of Cleveland's existence, Cavaliers have used their school as the final stage before launching into an uncontrolled environment. As we journey through the 20th and into the 21st century, we will always be secure with the knowledge and enriched by the experiences Cleveland has entrusted to us. Our quests should thrust onward, upward, and forward. We can only hope that as our lives take flight we will all excel in our chosen fields. It is the wish of the '78-'79 Les Memoires Staff that each of us reach our ultimate goal... our farthest dream.
